

## **Year 7 End of Year Science Assessments**

**Each paper is 40 minutes**

**Biology paper – Friday 21<sup>st</sup> June X Band Lesson 1, Y Band Lesson 2**

- Cells, tissues and organs
- Reproduction and Variation

**Chemistry paper – Thursday 27<sup>th</sup> June X Band Lesson 4, Y Band Lesson 2**

- Particles
- Chemical Reactions

**Physics paper – Tuesday 2<sup>nd</sup> July X Band Lesson 5, Y Band Lesson 1**

- Energy
- Forces and Motion

## **Year 8 End of Year Science Assessments**

**Each paper is 40 minutes**

**Biology paper Thursday 20<sup>th</sup> June X Band Lesson 1, Y Band Lesson 5**

- Cells, tissues and organs
- Reproduction and Variation
- Ecological Relationships and Classification
- Digestion and Nutrition

**Chemistry paper Monday 24<sup>th</sup> June X Band Lesson 5, Y Band Lesson 3**

- Particles
- Chemical Reactions
- Periodic Table
- Materials and Earth

**Physics paper Friday 28<sup>th</sup> June X Band Lesson 5, Y Band Lesson 4**

- Energy
- Forces and Motion
- Light and Space
- Electricity and Magnetism

## **Year 9 End of Year Science Assessment**

**One 1 hour combined paper - Thursday 20<sup>th</sup> Period 3 – X and Period 5 – Y**

### **Biology:**

- Cells & Magnetism

### **Chemistry:**

- Chemical Analysis
- Energy Changes

### **Physics:**

- Particle model
- Energy transfer
- Forces and acceleration
