Does your child use School Transport?

If your child uses school transport, you should have received an email from NNC. If you have not received any communication, please follow this link: [School Travel Assistance](#) which will take you through to our website and a letter from North Northamptonshire Council regarding an update of records held.

Football Rebooted - Recycle Your Old Football Boots

We are taking part in the Football Rebooted campaign. Thank you to those of you in the Montsaye community who have already donated boots. If you do have any unwanted football boots sitting at home which you would be willing to donate, we would be extremely grateful. There is a big green 're-boot' donation box located just inside the sixth form centre where all boots can be placed or they can be left with our Sports Centre staff.

Hope for Families: Online Course 'Left to their own Devices'

Would you like to gain an understanding of the online world that your children inhabit? The Hope for Families charity are offering an online course, via Zoom, to help navigate this; entitled 'Left to their own Devices'. Taking place on Monday 31st March 7.30pm to 9.30pm and priced at £7.50 per household, the course is aimed at mainly younger children so would probably be more suited to parents/carers of our Year 7 cohort. For more information and to register, please follow this link: [Hope for Families](#).

Northamptonshire Emergency Services Cadets

Is your child interested in the Emergency Services? Applications for the Northamptonshire Emergency Services Cadets are now open. Your child needs to be aged 13 to 18 years; they will receive training in all elements of emergency services, meet new and interesting people and develop new friendships, in addition to learning transferable skills such as communication. The scheme opens up opportunities for future careers in any of the three services.

For further information, please follow this link: [Northamptonshire Emergency Services Cadets](#). Applications close on Sunday 6th April.
