Lexonik Leap has arrived at Montsaye

Lexonik Leap is a teaching programme that covers essential areas of literacy required across the curriculum, and at every level. We are delighted that we are now delivering it to our students. The programme develops students' ability to detect and manipulate sounds within the English language and develops their oracy, reading and spelling. You can read more about the programme here: [The Lexonik story - Lexonik](#)

Fifty students have been carefully selected to be the first group to take part in this intervention and they have completed their initial assessments. We are super excited to see how much they progress with their reading over the next few weeks.

If you have any questions or queries about this provision, please contact sallert@montsaye.pfschools or rgatiss@montsaye.pfschools.org.uk for more information.
