3<sup>rd</sup> June 2024

Dear parents and carers,

Welcome back to school, I hope you have had a fantastic half term break. It is incredible there are just a few weeks of the academic year left - which will see some of my favourite events in school: sports days for all year groups, year 11 prom and leavers assembly. We look forward to celebrating these with you.

Before term gets into swing, I wanted to email about the open letter to parents from the Chair of Pathfinder Schools, which was sent on Friday [[Link](#)].

In the letter, Paul explained that over the coming period, Pathfinder Schools is going to be working with an organisation called Keystone Knowledge. This arrangement has been put in place to support our teams and those of us in leadership roles while the trust's Chief Executive Officer(CEO) and Chief Financial Officer (CFO) are absent.

I want to echo Paul's message that these absences are not having an impact on the teaching, learning and enrichment we are able to offer your child and their day to day experience in school will remain the same. However, Keystone will be able to provide temporary additional leadership capacity to ensure we all have the support we need while our colleagues are off.

Please note this is support at CEO and CFO level only in Pathfinders. This will not replace the current support United Learning are providing Montsaye Academy.

If you have any questions or concerns about this, or any other matter, please do be in touch in the usual way.

With best wishes,

Mr G Baria  
Acting Principal
