

Transition Day

Monday 8th July

Dear Parent/Carer

At Montsaye Academy, we work hard to provide a caring and secure bridge between Years 6 and 7, making the transition from Primary to Secondary a positive and fulfilling experience. Year 7 is both a fun and challenging year where students will develop key life skills in a community that maintains high expectations of behaviour and conduct and continually drives our core values.

Transition can be a time of many changes, including, A new and bigger school-working environment, changes in teachers, new friendship groups, being around older students, movement around the school and new subject areas. Therefore, transition day is an important event for students to allay these fears, understand the school's expectations, feel comfortable about their new journey in September and meet key staff who support Year 7 Students.

This year Transition Day will be held on Monday the 8th of July. The day will start at 9am and finish at 2pm. Additionally:

- Please make sure your child arrives by 9am. We will be welcoming students from 0840 onwards. Transport will not be provided.
- A break time snack and lunch will be provided for the students, but students are welcome to bring their own pack lunch.
- Students are to arrive in their full school uniform.

Furthermore, all year 6 parents will be invited to a presentation delivered by our new Principal on the evening of the 8th of July. This presentation will give all parents an opportunity to meet key staff and understand new developments in the culture of the school.

This presentation will start at 6pm and finish by 645pm. The gates to the school will be opened at 540pm and refreshments will be provided. Please register your attendance the following form:
